## Restaurant Participation

Combine the joy of eating with charity while supporting a local restaurant! Ask your favorite restaurant to become a 4,000 Raindrops host by donating a percentage of their sales to the orphanage for a day. Invite all your friends, co-workers and relatives to indulge in a meal at the restaurant. Tell everyone to mention “4,000 Raindrops” at the register for sales to be counted towards the orphanage.

Email us the details, and we will help you advertise on facebook and twitter!
